

Deadlines

Deadline of application for a presentation & an abstract:

February 20, 2019

All authors are required to submit an abstract. The length of the abstract should be 1 page in A4 size. The abstract should clearly state the purpose, results and conclusions of the work. We strongly encourage the submission of abstracts (PDF file) to the organizing committee by e-mail. The book of abstracts will be distributed to all participants at the forum.

All presenters are required registration of the forum with abstract submission.

Please submit abstract to:
E-mail: ecotech.res@gmail.com
or Conference Website (on-line)

Manuscript submission deadline:

March 31, 2019

Each author is able to submit full paper (A4 size, 6 pages maximum) as an original article for the Journal of Ecotechnology Research, which will be published after peer review process.

Please submit manuscript to:
E-mail: kawakami@pu-toyama.ac.jp

Registration

Deadline of registration

February 28, 2019

All of presenters are required registration with abstract submission. Accompanied persons and participant without presentation are also requested for registration.

Please make registration with following information;
Name, Affiliation, participation of banquet.

Please make registration:
E-mail: ecotech.res@gmail.com
or Conference Website (on-line)

Fees

Full Time Registration:

Members of the IAE	
Presenter of Project Sessions	15,000 JPY
Student	6,000 JPY
Non-member	20,000 JPY
Acc. Person	5,000 JPY
Banquet (18 th Mar.)	5,000 JPY

The full-time registration fee includes cost for participation in the forum, program and book of abstracts.

Registration fee is able to be paid on-site or bank transfer, please contact the conference office (e-mail: ecotech.res@gmail.com) on registration process.

Banquet fee will be maid on-site.

Organizing Committee

General Chair

Prof. Tomonori Kawakami
Toyama Prefectural University, Japan

Session Chairs

Prof. Hiroyuki Uesaka
Toyama University for International Studies, Japan
Prof. Masamoto Tafu
National Institute of Technology, Toyama College, Japan
Dr. Tessui Nakagawa
University of the Ryukyus, Japan

Secretariats

Dr. Atsushi Manaka
Dr. Takeshi Toshima
Dr. Saori Takamatsu
National Institute of Technology, Toyama College, Japan

First Circular Call for Papers

13th International Forum on
Ecotechnology

- Okinawa 2019 -

March 18-19, 2019

**University of the Ryukyus
Nishihara, Okinawa, Japan**

Organized by
International Association of
Ecotechnology (IAE)

<https://sites.google.com/view/ife13okinawa/>

Scope of the Forum

The 13th International Forum on Ecotechnology, organized by International Association of Ecotechnology, will be held in Naha-Okinawa, Japan from March 17 (Sunday) to 19 (Tuesday), 2019.

This forum is being organized by International Association of Ecotechnology.

Language

Official languages is English

Schedule (Tentative)

March 18 (Monday)

9:00 Registration
9:30 Opening Remark
9:40 Invited Lecture (1)
10:20 Oral Presentations (20 min X 2)

Venues

Okinawa, Japan

Okinawa is one of the 47 prefectures of Japan. It is comprised of over 160 islands, 47 of which are inhabited remote islands. Administration of the prefecture is divided among 11 cities, 11 towns, and 19 villages. The IFE13 will hold at Okinawa main island.

Many flights are applicable to access Naha Airport from various airports in Japan.

(From information of Okinawa Convention & Visitors Bureau)

University of the Ryukyus

The University of the Ryukyus was established in 1950 on the remains of Shuri Castle, which was burnt to ashes in the Battle of Okinawa. In 1977, the University was moved to a large new campus in the region where the three municipalities of Nishihara Town, Ginowan City, and Nakagusuku Village meet, and it became a national university corporation in 2004. The IFE13 will hold in Nishihara campus.
